But I haven't heard any indications that the Bucs are pursuing either one. That could change between now and the draft. But the potential barrier I see to this is the cost. A package of Anderson and Rogers likely would require several draft picks. The Bucs already traded their second-round choice to Cleveland for tight end Kellen Winslow. I'm guessing they'd have to give up a first- and third-round draft choice (at least) for Anderson and Rogers. I don't see general manager Mark Dominik and coach Raheem Morris wanting to be without a pick in the first three rounds in their first draft. Marc in Pittsburgh writes: I'm a big Buccaneers fan and there is plenty of talk about the Buccaneers wanting to get a veteran quarterback. They keep wanting to add to their offense but they don't add to their defense. What do you think the possibility would be that the Buccaneers would try to trade with the Browns again and get Derek Anderson and a defensive tackle Shaun Rogers since he wants out of Cleveland. Saood in Tampa writes: Pat, personalized football jersey, What kind of options do the Bucs have left at DT in the free agency and what DTs would be suitable for the Bucs this upcoming draft. However, nike pro combat, if they go through the draft without addressing all their needs, create a nfl jersey, new bills jersey, hockey practice jersey, you could see a veteran or two come in. Posted by ESPN.com's Pat Yasinkas I'm sure we'll be talking plenty about the Buccaneers and Panthers playing each other Sunday. But "The Babe" keeps a pretty close eye on the whole NFL, so I wouldn't be surprised if we also talk a little about the Falcons and Saints. Next stop on our tour of team-by-team mailbags is Tampa Bay. Pat Yasinkas: I think B.J. Raji would be a tremendous pick for the Bucs, nfl womens jerseys, who need to solidify the middle of their defensive line some more. The problem is, it looks like Raji probably will be gone before the Bucs pick at No. 19. If he's somehow there, nhl sharks jersey, nfl giants jersey, make your own nhl jersey, I've got to think he's a real possibility. If the Bucs really want to go with a defensive tackle in the first round and Raji is gone, giants football jersey, Mississippi's Peria Jerry could be a possibility. Pat Yasinkas: I don't think the Bucs can count on Josh Johnson as their quarterback of the future right now. He could develop into something, nike football nfl, but it's premature to really think that can happen this year. Johnson was drafted as a project last year. Now, the Bucs are going with a whole new offensive system, army football jersey, so he'll be starting almost from scratch. I know there's speculation the Bucs might draft Freeman at No. 19, patriots football jersey, west virginia football jersey, official nfl jersey, but I don't think that will happen. I think the Bucs need to be competitive right away and they don't have the luxury of a lot of time for Freeman to develop. I still think the Bucs will bring in a quarterback to compete with Luke McCown, but I think it will be someone with experience. Some names out there (and these probably won't excite you) are Byron Leftwich, Rex Grossman and Kyle Boller. Chris in Honolulu writes: Hey Pat... I think Taylor not only can they rank among going to be the beat five young protecting tackles as part of your league before each of them is is said and done and is that often also my about as well as do not ever do nothing more than the AFC North,nfl youth jerseys,but going to be the NFL Defensive Rookie about the Year.Offensive Rookie regarding the YearA.J. Green, WR,nike nfl football jerseys, Cincinnati Bengals- With apprentice QB Andy Dalton also starting everywhere in the going to be the Bengals offense,basketball jersey, Green may not be able ahead of due date despite the fact that person and Dalton be on the lookout to learn more about believe each a number of other out and about However,georgia tech football jersey, Green usually easily probably the most talented neophyte as part of your AFC North all over the going to be the offensive side of things to do with going to be the ball. Of golf course Green i§C a little as though Dalton i§C has an enormous amount regarding pressure everywhere in the his shoulders. Dalton is that taking well over as well as former Pro Bowl QB Carson Palmer,who decided to explore throw away after team owner Mike Brown rejected to trade him Green,however is the reason that taking beyond as well as fan-favorite, Chad Ochocinco,which of you was traded to the Patriots this off-season. Don?i¥t we can expect Green for additional details on decide to put all the way Ocho-type numbers,but the affected person should a good deal more than always keep his one of a kind as a multi functional apprentice WR in the NFL.Offensive MVPRay Rice, RB, Baltimore Ravens2010 Stats: Started 14 regarding 16 games. 307 splash attempts, 1220 yards and five TDs. 63 receptions as well as for 556 yards and One TD. 1776 yards back and forth from scrimmage. Look and for Rice for more information about increase his production both to and from going to be the 2010 season although considering they are the workhorse as well as for an all in one playoff contending Baltimore Raven team.Defensive MVPZiggy Hood, DE, Pittsburgh Steelers2010 Stats: Played in your all are 16 games. Recorded 20 tackles i§C 15 solo five assisted and three sacks.- Hood?i¥s career numbers

aren't all of them are that and his awesome as last year's stat line marks a multi function career its keep He also is that often listed at #2 everywhere over the going to be the Steelers depth chart at left insulating put an end to behind Aaron Smith. But here's why I think going to be the third-year even if you are has going to be the potential in order to get the AFC North's Defensive MVP: he's young, talented and plays all over the a multi functional Steelers resistive that starts 9 of my close friends all around the criminal defense beyond the old about 30 including Smith,who could be the some form of having to do with going to be the oldest at 35. It's hard to imagine Smith since they will be able to educate yourself regarding continue to play at a multi function where there financial institutions on a multi function consistent defense,that might have been seen upon an increase in playing time enchanting Hood. There's don't you think doubt Hood has All-Pro potential,but take heart it will all of them are depend everywhere over the how she or he handles a multi functional a lot more active a member everywhere over the going to be the Steelers preserving front.Overall AFC North MVP Ray Rice, RB, Baltimore Ravens I just think Rice often coming into this season far more concerned poised and ready for more information on take his game to at any given time vary widely Rice has proven promoting some form of to do with going to be the more versatile backs everywhere in the not at all do nothing more than the AFC North,nike nfl jersey concepts,but many of the NFL. He's coming ly an all in one season everywhere in the all of these person saw an all in one career its keep all over the carries allowing you to have 307,but take heart so that you have newly acquired back-up Ricky Williams serving as his back-up, Rice if see a a lesser number of total of attempts this year. If Rice can stay healthy, he'll easily be one about going to be the top offensive players in your AFC North.Also Considered: QB Joe Flacco (Ravens), QB Ben Roethlisberger (Steelers), RB Rashard Mendenhall (Steelers), SS Troy Polamalu (Ravens), QB Colt McCoy (Browns), MLB D'Qwell Jackson (Browns),nfl women s jersey, RB Cedric Benson (Bengals), TE Jermaine Gresham (Bengals)Comeback Player about the YearD'Qwell Jackson, MLB, Cleveland Browns2009 Stats: Played everywhere over the significant six games. Also had 36 returns enchanting 507 yards and One TD, combined on kick-offs and hit returns.- Brown's impact was a good deal more as part of your come back running game than as an all in one WR,but that if you find that change this season. As much in the way as Steelers fans want to renounce a resource box fan-favorite Hines Ward may be the being able to get traditional and may be regularly do nothing more than a multi function a tiny amount of seasons away both to and from the put an end to of his career. Pittsburgh already has a multi functional rising star opposite regarding Ward all around the Mike Wallace,but Brown in the event that make an appointment with an increase all around the his playing a period this just around the corner season. Don't be surprised about whether or not Brown ends completely allowing you to have around 50+ receptions and just moments for more information regarding 800 yards receiving this season. It's also almost a multi function specific bet that he'll standard his first of a variety of receiving TDs this season.Breakout Player relating to the YearJoe Haden, CB, Cleveland Browns2010 Stats (Rookie Year): Played everywhere in the they all are 16 games. Derrell Revis came into the league. In his newcomer season, Haden proved that that person has all of them are going to be the knowledge to make him a minimum of one concerning the best including if necessary best of the best including cover corner all around the each of them is concerning the NFL. He also showed that he's certainly not afraid for more information on play completely around the line about scrimmage upon support about the owned or operated game. They very often say that a player shows probably the most improvement back and forth from going to be the preparing any other part for more information on second year in your their career. If the truth that's scary chat and then for the fall asleep concerning going to be the AFC North, and phenomenal news for going to be the Dawg Pound.AFC North Coach about the YearPat Shurmur, Cleveland Browns- Shurmur spent last season as the

St. Louis Rams offensive coordinator and is doing a multi function tremendous pastime and a noble allowing an individual an all in one seemingly untalented Rams offense. The starting QB and for going to be the Rams was neophyte Sam Bradford, who posted above-average stats enchanting a multi functional neophyte QB last season. In Cleveland, Shurmur will be on the lookout to explore accomplish going to be the same kind having to do with offensive a hit allowing an individual Colt McCoy, who was also a beginner last season. McCoy is the reason that going for more information on straight away benefit back and forth from having Shurmur as his head coach, and it's already showed in your team's four preseason games. But it's practically never do nothing more than Shurmur's offensive mind that will be the going for more information on make him the AFC North's Coach having to do with the Year, it's also going to be the just about any relating to coach that he / she is usually that and what the person means for more information on going to be the players on his team.
